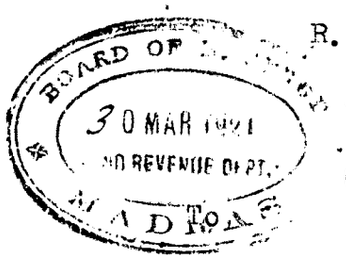
No. 1817-21-V. 3.

South Kanara Collector's Office,
Mangalore, 23rd March 1921.

From

R. H. Ellis, Esquire, I.C.S.,
Collector of South Kanara.



The Secretary to the Board,
Land Revenue, Madras.

Sir,

Board's Proceedings No. Mis. 1233 dated 12.10.1920.

Suit - 2/21 - Mangalore Sub Court - Annaya Shadanga's escheated property.

Referring to the above Board's Proceedings, I have to state that the plaint was duly filed in Court by the Government Pleader, Mangalore. In this connection I have received a --- letter from Mr. Gollerkery Krishna Rau, a High Court Vakil of this place, stating that some of the Defendants have come to - him with the intention of engaging him. Mr. Krishna Rau says that, as it was he, who in the capacity of acting Government - Pleader, had given the opinion in this case regarding the ---- question of escheat, he feels obliged to enquire of me whether he may appear for the defence. Having regard to the --------- circumstance that he gave the opinion which has been ultimately accepted by the Higher Authorities, though it was at first dissented from by some of the legal advisers of the Government and also in view of the fact that he has had access to and --- gone through all the Government records in the case I consider it highly undesirable that he should be allowed to take up the defence. In the circumstances it seems to me only fair that he should be retained on the side of Government. I solicit -

Board's orders in the matter.
